Ottawa, 17th March 1952.

Mr. G.E.B. Sinclair,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of Leroy Callahan
S.W. 5-23-5-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $20.00 was advanced to Leroy Callahan on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 20.00	$ 36.00	$ 56.00

The S.W. 5-23-5-W4 was formerly the homestead entry of the debtor on which security he obtained an advance of relief in 1915. He later abandoned his homestead and his entry was cancelled on the 2nd of February 1921.

In reply to our questionaire of the 6th of February 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta wrote as follows:-

"This parcel is unalienated crown land covered at present by a long term grazing lease issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

C.F. Gilchrist.

Ottawa, 17th March 1952.

Re: Account of Leroy Callahan
S.W. 5-23-5-W4

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

G.E.F. Sinclair,
Dominion Member.

Sir,

Re S.½ 26-55-6-W. 5th M.

I beg to inform you that Mr. Alf. I. Butler of Stanger, Alberta, advises that a lien for $40.00, wrongfully clouds the title to the above described land, and to say the records are now that this lien was given by one James Wesley Bell of the same place in connection with the N.E.¼ 26-55-6-W.5th M., and should not cloud the title to the first above described land.

You are, therefore, hereby authorized and requested to remove from the said title S.½ 26-55-6-W. 5th M., the lien in question for $40.00, registered against it in error.

A copy of this letter is being sent to Mr. Butler for his information.

Kindly advise me of the action you may take in this matter.

OTTAWA, 1st September, 1926.

Sir,-

N.E.¼ of Sec. 8 Tp. 108 Rge. 13 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Alexander Cardinal, Sr., Esq.,

This leaves approximately 50 acres still to be selected by the company, but no further selections will, I understand, be made at present and the areas may be subject to change before letters patent are issued.

I will you please have forwarded to the agents of Dominion Lands at Lethbridge and Medicine Hat, respectively, copies of the attached schedule and take the necessary steps for reserving the additional lands now under reservation for sale to the Southern Alberta Land Company.

Any of the lands to be released should be disposed of subject to a reserved right of way for the works to be constructed by the Southern Alberta Land Company. Please return this file to me at your earliest convenience.

MEMORANDUM:

Mr. H.O.Cote,
Patents Branch.

I am sending you herewith three copies of a schedule of lands sold to the Southern Alberta Land Company under the provisions of an Order in Council dated 25th June, 1906, and an agreement for Sale attached thereto as amended by Orders in Council dated 9th September and 6th October, 1908.

In accordance with the authority contained in the said Orders in Council, the company was permitted to purchase 350,573 acres of land in certain townships described in the agreement for sale as subsequently amended. It was apparently assumed that the available land in the said townships would not exceed the area which the company was to be permitted to purchase, but, as a matter of fact, there is a considerable additional area of vacant and available land in the said townships. All the land in these townships has been held under reservation for the company for several years and the company has only recently, since its canal system was finally laid out, selected the actual lands which it desires to purchase.

The attached schedule shows the following lands selected by the company:

Vacant and available for immediate use	343,570.86 acs.
Sold subject to an existing grazing lease	57,655.7 "
Total	401,625.96 acs.

MEMORANDUM.

A. O. Cote, Esq.,
Controller of Land Patents Branch.

Re Mr. Drake's memorandum to you of the 18th ultimo.

In this connection I beg to say that as the file 217417 T. & C. was immediately required by the Hon. Minister, to expedite matters I have removed Mr. Drake's memorandum together with the schedule referred therein; and in checking over the list of lands selected by the Southern Alberta Land Co with entries in the Township General Register I find that the company's selection is 1.45 acres in excess of the total area given on schedule, namely 380,525.96 acres; the parcel referred to 1.45 was sold and patented to Canadian Pacific Railway Co for Pipe line supply at Suffield which line crosses the N' W. 36--1--9 W. 4th M. See page 11 of said schedule.

Is it necessary in this case to have schedule returned to Irrigation Branch for correction.

You will also find herewith copies of a schedule of lands rejected by the Company after selection was made, and would suggest that the list be sent to Mr. Sheppard for revision, specially sections which are crossed by the Bow River, giving area.

MEMORANDUM:-

Mr. Drake,

Re South E. Alberta Land Company.

I beg to return your memorandum of the 18th ultimo and the schedule attached thereto, and to call your attention to Mr. C. Reinhardt's memorandum of the 2nd instant, in which he points out that there is apparently an error on page 11 of the schedule referred to, as 1.42 acres patented to the C.P.R. Company for pipe line should be deducted from the N.W.¼ 26--21--2, West 4th Meridian.

After the schedule has been corrected, please return it to me with the other papers attached thereto, and, if possible, your file 517417 S.E.A.L., in order that the necessary further action may be taken in the matter.

If so, I would suggest that the schedules showing lands selected by the Company be sent to the Agents of Dominion Lands at Lethbridge and Medicine Hat, as requested, at the same time advising them that they will be further advised as to the disposal of the lands rejected by said Company.

I presume action will be taken on last paragraph of my memo to you, before these are sent to Agent.

Department of the Interior,

LAND PATENTS BRANCH,

Ref. 3 06371

Ottawa, 27th March, 1914.

MEMORANDUM:

Re lands included in original selection of The Southern Alberta Land Company, but rejected by the Company in making final selection.

This matter was referred to [illegible] letter dated [illegible] last, and in accordance with the Acting Deputy Minister's recommendation (approved by the Minister's office) Homestead Inspector's reports were called for in connection with the different parcels. The required reports have been received and are attached to the files relating to the respective quarter sections.

I beg to recommend that the lands in the districts the lands are situated be instructed to make the different parcels available for settlement by entries in accordance with the regulations, provided they know of no reason to the contrary. Of course, if it is found when examining the reports that any of the quarter sections are rendered particularly valuable for some reason, the question of the disposal of such quarter sections will be submitted for consideration. As you are aware, this action is now taken in regard to certain lands which had been placed on the list of odd numbered sections which were not available for entry on the 1st September, 1908.

The lands in question are shown on the attached schedule.

Respectfully submitted,

W. W. Cory, Esq., C. M. G.,
Deputy Minister of the Interior.

Controller.

MEMORANDUM:

Mr.W.G.Cote.

Referring to your Memorandum of the 27th ultimo to Mr.Cory on File No. 360,311 and to the schedule attached showing lands rejected by the Southern Alberta Land Company, it has been decided that these lands may now be disposed of in the usual way.

If on examination of the Homestead Inspector's reports in connection with these lands, it is found that any of the quarter sections are occupied or particularly valuable for some reason, kindly submit to me for instructions before taking action.

Sir,

I beg to confirm my telegram to you of this date, which reads as follows: "Re list of lands rejected by Southern Alberta Land Company. Your file 19434. Reserve Right of Way for irrigation before granting any entries. Letter following."

In this connection I beg to state that in the several letters which were recently sent to you, instructing you to make certain quarter sections which were rejected by the Southern Alberta Land Company available for entry by posting in the usual manner, it was omitted to point out that a Right of Way for the works to be constructed by the Southern Alberta Land Company should be reserved. It is important that a Right of Way for irrigation purposes should be reserved out of each parcel rejected by the said Company, and I, therefore, beg to refer you to the list of lands sent by you to the Homestead Inspector on the 6th October last (your reference # 19434), a copy of which list was received here, and to request you to carefully note the necessary reservation against each parcel. In future in any letters sent you in connection with any of the parcels attention will be called to the fact that a Right of Way should be reserved.

Dear Sir,

In a list of lands to be thrown open for homestead entry which I obtained from your office while in Lethbridge, you show the N.½ and S.E.¼ of Section 36, Township 11, Range 13, West of the 4th Meridian. There is apparently an error in including this parcel of land in the tract to be thrown open for entry, as this entire section is included in the lands selected by this Company from the Crown. I think however, that this might refer to Section 35 in the same Township, as the S.½ and N.E.¼, South of the Bow River, are Stock Water Reservations.

The Schedule also shows the S.½ of Section 22, Township 11, Range 12, - I think this refers to the N.½ of this section, north of the South Saskatchewan River, as this land is still open and was rejected by us.

In the case of the S.W.¼ of Section 30 Township 14, Range 15, I fail to see how a notation North of the River is made, as this quarter section is not

affected in any way by the Bow River.

Will you kindly advise me at your earliest convenience the necessary corrections to be made in this schedule in order that it may be complete.

Ottawa.

Dear Sir,

In the schedule of lands submitted to the Dominion Lands Agent of Lethbridge which were to be thrown open for homestead and preemption entry, there was included the N.½ and the S.E ¼ of Section 36, Township 11, Range 15, West of the 4th Meridian. There is apparently an error in including this parcel of land in the tract to be thrown open, as this entire section is included in the lands selected by this Company from the Crown in the Robins Irrigation Agreement.

Mr. Stafford forwarded you a copy of our letter of May 26th relative to this, and in his reply to us stated that we would receive notification of any changes to be made in the schedule, from you. To date we have failed to receive any notification from you.

Will you kindly favor us with an early reply.

Yours very truly,

JMcL/B

Gentlemen,

With reference to your letter of the 26th May, addressed to the Agent of Dominion Lands at Lethbridge, and to yours of the 17th ult., addressed to me, I beg to inform you that it was due to an error that the N. ½ and S. E. ¼ of Section 36, Township 11, Range 13, West of the 4th Meridian, was included in the list of lands rejected by your Company. This land stands in the records here as an irrigation sale in the name of your Company. In your letter of the 17th ult., referred to, you mentioned the N. ½ and S. E. ¼ of Section 36, Township 11, Range 15, West of the 4th Meridian, but it is presumed that it was intended to refer to Range 13.

The schedule refers to the S. ½ of Section 22, Township 11, Range 12, West of the 4th Meridian, as rejected, but the part of this half section lying north of river only should have been referred to.

As regards the S. W. ¼ of Section 30, Township 14, Range 15, West of the 4th Meridian, I beg to say that you are correct in stating that this quarter section is not affected by the river. A copy of this letter is being sent to the Agent of Dominion Lands at Lethbridge for his information in the matter.

Controller.

The Homestead Inspector states as follows regarding the above land in his report submitted here on the 1st of January, 1914, by the Agent of Dominion Lands at Medicine Hat:-

"4th October and in reply beg to say that I have inspected this land and find it to be unoccupied land but not particularly valuable from its location. Value per acre $5.00."

Sir:

I beg to acknowledge the receipt of your letter of the 16th ultimo, on behalf of Mr. Jeremiah West, in regard to the matter of securing for the same suitable land [illegible] in exchange for the S.E.¼ of 17-11-1-W. 4th M., which [illegible] for the original entry, as you [illegible], has to [illegible].

The S.E.¼ of 5-11-1-W. 4th M. is vacant and available and is not now being reserved. The land is about 20 miles north-west of Medicine Hat.

If Mr. West will agree to accept the S.E.¼ of 17-11-1-W. 4th M. to the [illegible] this Department will undertake to grant him a patent for the S.E.¼ 5-11-1-W. 4th M.

The Department has also given every effort to secure suitable land for Mr. West and it is only a matter of time and searching until a piece will be found that will be satisfactory to him. The Chief Inspector of Dominion Lands [illegible] is now being asked to take the matter in hand and to call no doubt on West from before very long.

Kindly inform the Department whether Mr. West is willing to accept the S.E.¼ 5-11-1-W. 4th M. in lieu of the quarter-section he now holds.

Your obedient servant,

You will see from the enclosed memorandum that his lawyer claims Mr. Yeast is ready to start farming operations. As delay involves hardship to both parties and as it is the duty of the Department to endeavour to arrange a settlement, I am to request that you will give this matter your earliest and fullest attention so that this office may be in a position to make an offer to Mr. Yeast at the earliest possible date.

If you know of any land that is now vacant and available for the purpose, or when you do succeed in finding some suitable land, you are authorized to instruct the Agent for the district to reserve it until further advised, and you should report here by wire mentioning file 2650642.

Sir:

M. of 17-31-1-[illegible]. 4th M.
Dominion Lands.

Enclosed herewith is a memorandum prepared by an officer of the Department in regard to this matter, also a copy of a letter which has been sent to Mr. [illegible]'s lawyer.

You will see that the Department by its action in this case, has practically made two distributions of this quarter-section, although the land has been granted to Mr. [illegible] the former entrant, Mr. [illegible], has for the latter claim, and the Department is most anxious to pacify Mr. [illegible] by securing for him some other land of equal value which he will be willing to accept.

The agents at Saskatoon and Calgary, have not been successful in securing other land. You will see that the south ½ of 8-12-8-[illegible]. 4th has been offered to Mr. [illegible] through his lawyer. This land, however, is worth only [illegible] an acre, whereas the land he has been asked to relinquish is worth $11.00 [illegible] acre. As it is quite possible that Mr. [illegible] may not be willing to accept this parcel, the Department desires you to report whether you know of any suitable parcel of land that you think would be acceptable to Mr. [illegible], and if you do not, to take, without delay, whatever action you consider necessary with a view to finding some land for him.

MEMORANDUM.

Mrs. Amanda Giller applies to obtain entry for homestead as she is legally separated from her husband and has three minor children dependent upon her for support.

She forwards her declaration to this effect, also an Agreement of Separation dated 9th June, 1913, made in the presence of two witnesses at Edmonton.

Homestead Inspector's report of 6th November, 1913, states that the applicant Mrs. A. Giller is now a resident of Grouard and upon careful inquiry I find that she has three small children depending on her for support, therefore would recommend that she be allowed to homestead.

Should Agent be instructed to grant entry to Mrs. Giller?

I presume the Agreement of Separation is acceptable, although it is not legally sealed.

DOMINION LANDS ADMINISTRATION

Copy - A.D.L. Edmonton, Alta.
Ref. 188056.

OTTAWA, 6th December, 1928.

Sir,-

S.W. ¼ of Sec. 23 Tp. 64 Rge. 23 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting to those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

File No. 4-916.

Office of the Chairman

OTTAWA - AUG - 1930

Memorandum:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: David W. Jeffrey,
S.E.¼ 2-61-3 W.5th M. (Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 28th July, 1919, the settler secured advances from the Board totalling $2550.00, as follows: land, $750.00; stock and equipment, $1379.37; permanent improvements, $420.63. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the N.W.¼ 36-60-3 W.5th, which the settler is purchasing from the Board under agreement for sale.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler, dated the 16th July, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1801, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 2-61-3 W.5th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 28 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

The Soldier Settlement Board

File No. 4-3381.

Office of the Chairman

Canada.

OTTAWA - [illegible] 4 192-

Memorandum:

Request for Title under order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Wilbert V. Hobson,
N.E.¼ 15-63-24 W. 4th (Hsd.)
N.W.¼ 15-63-24 W. 4th (S.E.)

The above-described land is the unpatented homestead and soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 27th May, 1921, the settler secured advances from the Board totalling $2150.00, as follows: removal of encumbrances, $70.00; stock and equipment, $1458.39; permanent improvements, $621.61. As security the Board holds a charge on the settler's homestead and soldier grant. The Board holds no other land security in this case.

The Board is informed that the settler has completed the duties in connection with his homestead and soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Acting Commissioner of Dominion Lands to the settler, dated the 12th August, 1925.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1021, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 15-63-24 W. 4th and the N.W.¼ 15-63-24 W. 4th be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 25 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead and soldier grant.

A Vesting Order for signature is attached hereto.

To HI[S] EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to report:-

That prior to the transfer of the natural resources to the Western Provinces, Joseph Stewart had obtained a homestead entry under the Dominion Lands Act for the North East quarter of section 31, Township 57, Range 6, East of the 5th Meridian;

That of cancellation of his entry, the land was otherwise disposed of and the sum of fifty dollars ($50.00) representing the value of the improvements as they existed on the date of such disposal, was collected by the Department of the Interior from the person acquiring the land;

That a tax statement was received in his office showing that the former entrant, Joseph Stewart, was indebted to the extent of seventeen dollars and twenty-six cents ($17.26) for taxes, which had accrued against the land during the time he held the same under entry, and a cheque for this amount was forwarded to the local municipality for the purpose of retiring such taxes;

That a refund of the said Joseph Stewart has been applied for by reason of the balance of the improvement money collected.

That the Provincial Authority has granted under the provisions of the Natural Resources Transfer Agreement, a refund to the Dominion Government in respect of the consolidated revenue fund, for the refunding out of dollars and seventy-four cents ($32.74) to Joseph Stewart, Natural Resources Transfer Agreement, Alberta.

Respectfully submitted,

Minister of the Interior.

3006563

Synopsis to accompany Memorandum to Council dated the 2nd April, 1935.

Joseph Stewart mentioned in the attached Memorandum to Council, during the time he held the North East quarter of Section 21, Township 57, Range 5, East of the Fifth Meridian under Homestead entry, effected certain improvements. In cancellation of his entry the improvements were valued by a Homestead Inspector at Fifty Dollars ($50.00), which amount a subsequent entrant paid, and the money became part of the Consolidated Revenue Fund.

Evidence was submitted that Joseph Stewart was indebted to the Municipal District of Peace No. 581, Meadowview, Alberta, for taxes which accrued against the land during the time he held the same under entry, and a cheque for Seventeen Dollars and Twenty-six Cents, ($17.26), was forwarded on the 23rd April, 1928, for the purpose of retiring such outstanding taxes.

It is proposed by the Memorandum to Council, herewith, to secure the necessary authority for refunding the balance of the amount paid for improvements, viz., the sum of Thirty-two Dollars and Seventy-four Cents ($32.74). This is in accordance with the practice which was followed in such cases by the Department of the Interior, prior to the transfer of the natural resources to the Western Provinces.

The Department of Justice has ruled that the obligation to make a refund of this nature is that of the Dominion and not the Province.

The Board had under consideration a memorandum from the Honourable the Minister of the Interior reporting:-

"That prior to the transfer of the natural resources to the Western Provinces, Joseph Stewart had obtained a homestead entry under the Dominion Lands Act for the North East quarter of Section 21, Township 57, Range 6, West of the 5th Meridian;

That on cancellation of his entry, the land was otherwise disposed of and the sum of Fifty Dollars ($50.00), representing the value of the improvements as they existed on the date of such disposal, was collected by the Department of the Interior from the person acquiring the land;

That a Tax statement was received in 1928 showing that the former entrant, Joseph Stewart, was indebted to the extent of Seventeen Dollars and Twenty-six Cents ($17.26) for taxes, which had accrued against the land during the time he held the same under entry, and a cheque for this amount was forwarded to the local Municipality for the purpose of retiring such taxes;

That Joseph Stewart has now applied for a refund of the balance of the improvement money collected.

Under the circumstances, the undersigned begs to recommend that authority be granted under the provisions of 'The Refunds (Natural Resources) Act', 22-23, George V, Chapter 35, for the refunding out of The Consolidated Revenue Fund the sum of Thirty-two Dollars and Seventy-four Cents ($32.74) to Joseph Stewart, Rural Route No.4, Bimbey, Alberta."

The Board concur in the above report and recommendation, and submit the same for favourable consideration.

Asst. Clerk of the Privy Council.

Sir,-

I. [illegible] Sec. 6 Tp. 65 Rge. 9 West 4 Mer.

Referring to [illegible] application for the privilege of [illegible] a second homestead, I beg to inform you that during the present session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers who had already located patent, or who had become entitled thereto on or before the 1st January, [illegible] the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be sufficient authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

MEMORANDUM:-

Mr. Hume,-

On the 7th September, 1915, homestead entry was granted to Mr. Archibald Thompson for the N.W.¼ of 9--21--1, West 4th Meridian.

The S.W.¼ of 9--21--1, West 4th Meridian, is **reserved** for Mr. Thompson as a pre-emption entry.

According to his declaration of the 14th August, 1916, Archibald Thompson enlisted in the 209th Overseas Battalion, C.E.F., on the 17th April, 1916.

The Certificate from the Department of Militia and Defence of the 20th September last, sets forth that Pte. Archibald Thompson enlisted under No.452806, 10th (formerly 209th) Overseas Battalion, C.E.F., on the 17th April, 1916.

The Certificate of Death of the Director of Records of the 24th ultimo is as follows,-

"This is to certify that No. 452806, Private Archibald Thompson, 10th (formerly 209th) Overseas Battalion, Canadian Expeditionary Force, has been officially reported as having died at No. 7 Casualty Clearing Station, France, on the 16th day of August, 1917, of wounds received in action.

"On attestation, he gave the name and address of his next of kin as follows,-

William Thompson, (Brother)
Box 172,
Empress, Alberta."

The Certificate of the Militia Department has been compared with the application for entry and identity is clearly established. The Seed Grain Branch report not liability.

There appears to be no reason why a patent should not issue for the homestead.

What action is to be taken in connection with the quarter-section now reserved ?

Sir,

S.E.¼ 1-15-1-W.4th Mer.

I beg to advise you that a report has been received from one of our Inspectors in which it is pointed out that you are unable to pay for your homestead at the present time. Owing to the fact that you have held entry for the said since 1916, you should apply at once to the Agent of Dominion Lands, Lethbridge, for a re-grant for the district in which the land is situated with as little delay as possible, and on application for patent.

If you are unable to complete payments at the present time, you may, if you so desire, apply for a Certificate of Recommendation, to the Agent of Dominion Lands. This Certificate would be made out for a period of one year, and during the time the same is in operation, gives you the authority to mortgage, encumber, or transfer your interest in the land, but your first duty on so doing, would be to complete your payments to the Crown.

Pre-emption - Gottlieb Schmantz.
Agency file No. 101850.

I am to acknowledge your letter of the 26th October last, enclosing report of Homestead Inspector Bowyer in reference to the pre-emption entry of Gottlieb Schmantz for the quarter-section above mentioned, and in reply to say you may, in view of the information at hand, institute cancellation proceedings on behalf of the Department for non-payment of the purchase price.

In the absence of a defence or payment on account within the time prescribed herein, there is apparently no reason why cancellation of the entry should not be carried out and the land posted for settlement again in accordance with the homestead regulations governing Dominion lands in Area "A", subject to payment for the improvements, provided you are aware of no reason to the contrary.

Mr. Hume,

Pre-emption,- Gottlieb Schmidt.
Date of entry,-9th May, 1916.
Application for Patent,- Recommended.
Mr. Pro. instituted on behalf of
. . on the 13th November, 1926, for
failure to make payments.

Mr. Schmidt's application for patent of the 24th of March, 1922, showing the necessary conditions completed.

Notice was issued for action to be taken on the 14th of October, last, and Inspector Bowyer reported that there were fifty-five acres under cultivation, ready, of which ten acres were backset, value $0.00.

Mr. Bowyer reports:

"I beg to report that the above land is rough and uneven and over half is stony. No crop was raised recently. The land is unfit for agricultural purposes and is not cultivated. Would recommend cancellation. The land is listed as grazing land. It was not thought advisable to cultivate any portion of it."

In view of this report cancellation proceedings were instituted against this entry.

The land now being under timber lease was obtained re-cancellation and instead in connection with the pre-emption the 3rd of October, 1916. 95 acres broke up to 1924, 60 acres cropped. Proof of pre-emption of crop 3 acres

"Grand Forks Prairie" before pre-emption and instead to pay over payment for pre-emption.

He was advised that lands is contrary to the provisions of section 31 of the Dominion Lands Act and requested to advise the department whether or not the lease in question should be cancelled so to give possession of the land to the lessee.

A declaration has since received from the pre-emptor dated

dated the 3rd instant in which he states:

> "That the only arrangement I have made with regard to the land, is that my brother who resides with my Father, at Watson, in the Province of Saskatchewan, just 3 miles East of the above described land, puts in the crop for me, and I agree that he should receive for compensation one half of the crop harvested. There is no written contract between us, and no one is in possession of the land. Possession I intend to keep in order that I can return to live on my homestead, adjoining the above described land. The buildings of which are also unoccupied."

In view of the above, please say whether this matter may be given a further extension of time within which to complete payment for this pre-emption.

GOVERNMENT OF THE PROVINCE OF ALBERTA

CHIEF
FEB 21 1953
LANDS DIVISION

EDMONTON, Alberta.

February 16th, 1953.

Dear Sir:

Re: S½ 1-15-1-W.4th Mer.
Your file No. - 3006852.

I have your letter of the 9th instant, requesting to be advised of the present standing of the above described land, and if it is likely to be used again for farming purposes.

The SW¼ 1-15-1-W.4th Mer., is held under Grazing Permit No. 4631 by Henry Schmautz, of Schuler, Alberta. This permit will expire on March 31st, 1953, and Mr. Schmautz has prior right of renewal if he so desires.

The above half-section is located outside of the area reserved for settlement purposes, and it is not likely that this land will be farmed again.

The S½ 1-15-1-W.4th Mer., is patented land, and does not come under the jurisdiction of this Department.

Yours truly,

for V. A. Wood,
Director of Lands.

Mr. C. K. LeCapelain,
Chief, Lands Division,
Department of Resources and Development,
OTTAWA, Ontario.

ORDER-IN-COUNCIL P.C. DATED

3006857

Ottawa, 3rd April, 1953.

Mr. E.M. Medler,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of G. Schmantz
S.E. 1-17-1-W4

The matter of an application for an adjustment of indebtedness on the above mentioned party is referred to you, together with the report of the Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 and 1920 seed grain amounting to $174.12 was advanced to G. Schmantz on the security of the above mentioned land. No payments have been received and the present standing of this account is:

Principal	Interest	Total
$ 174.12	$ 4[illegible].71	$ [illegible].83

Patent was issued in the name of Gottlieb Schmantz for the S.E. 1-17-1-W4 on the 24th of August 1921, subject to the 1919 and 1920 liens. The S.E. 1-17-1-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled and the land is still unalienated Crown Land held in the right of the Province.

In 1936 the S.E. 1-17-1-W4 became subject to forfeiture proceedings for non-payment of arrears of taxes and title reverted to the Crown in the right of the Province.

In reply to our questionnaire of the 7th of January 1953, [illegible]ed, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"The SW¼ 1-17-1-W4th M.r., is held under Grazing Permit No. 4631 by Henry Schmautz, of Schuler, Alberta. This permit will expire on March 31st, 1953, and Mr. Schmautz has prior right of renewal if he so desires.

The above half-section is located outside of the area reserved for settlement purposes, and it is not likely that this land will be freed for in."

The information obtained inuicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

C.W. Gilchrist.

Re Account of G. Schrantz
C.G. 1-15-1-W4

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and conditions be waived.

Dominion Farmer.

January 20th, 1919.

Gentlemen,-

Re. of 10, 21, E. 1. 4th.

I have yours of the 20th instant, asking if it would be possible to extend protection to Mr. Harold MacDonald until the Spring of 1920.

I may say in reply that it is contrary to the provisions of the regulations to grant extended leave where an entry has been held for over 3 years. However, we are holding over the cancellation proceedings which have been taken against his entries until the 1st of April next, by which date Mr. MacDonald should show his good faith by having done something on the land by way of improvements. If Mr. MacDonald still finds himself unable to do the required residence his application for further leave might again be brought to my attention.

Yours very truly,

Messrs. Laidlaw, Blanchard & Co.,
Barristers, Solicitors, &c.,

Alberta.

Interior Department

Dear Sir: Re. Harold MacDonald and N.½ of 10-21-5 W.4th Re file 7867-3

The above named Harold MacDonald some time ago made homestead entry for the North-east quarter of 10 - 21 - 5 West of the 4th. and pre-emption entry for the North-west quarter of the same section. He was unable to commence his duties on the homestead last season, as a result of which cancellation proceedings were commenced but later on the Department gave him an extension of time for going on the land until April 5th. next.

We have been acting for MacDonald in connection with a law suit which is brought against some former employers, and have a pretty close knowledge of his circumstances. He is a married man with a family and is at present without any

means, and as a result it will be practically impossible for him to commence his duties this Spring, although he is very anxious to do so. There is no building on the homestead and he has no money to support his family and at the same time go and camp on the land. MacDonald is a good workman but has had a lot of misfortune during the last year. He has only recently recovered from an attack of Spanish Influenza, and we feel that it would be a great misfortune if he lost his homestead through his inability to go on the land this summer.

Mr. MacDonald was in to see us today and stated that he was now endeavoring to get work, and that he hoped to make enough money by next fall to put a building on this land and be in shape to cultivate it the following Spring.

Will you kindly advise us as to whether under the circumstances the Department would extend the time for MacDonald to commence his duties on the homestead until the Spring of 1920?

Yours truly,

LAIDLAW BLANCHARD & CO.

Entries of Harold MacDonald.
Agency file No. 101847 - 8.

Referring to the report of Homestead Inspector Bowyer of the 9th instant, in which it is stated that he was unable to accept the application for homestead patent of Harold MacDonald owing to a shortage in the area of cultivation, I beg to refer you to the report of Homestead Inspector Mayberry of the 31st October, 1923, recommending that Mr. MacDonald be allowed to prove up his homestead and pre-emption by the substitution of livestock for cultivation owing to the presence of much rock on the land, although it was stated that eighty acres of the half-section might be otherwise cultivated.

It is observed however that the application of Mr. MacDonald for permission to substitute stock, on the strength of which the report was called for, was confined to his pre-emption.

Under all the circumstances of the case, it is advisable that the Homestead Inspector should report fully for the information of the Department as to what duties have been performed by Mr. MacDonald on his homestead and pre-emption in order that it may be decided whether he has performed sufficient duties to entitle him to patent, taking into consideration the character of the land.

Homestead and pre-emption.

Referring to the cancellation proceedings outstanding against your entries for the above half-section, it is noted that the Homestead Inspector in a recent report represents that it is your intention to move to other land elsewhere, and that it is unlikely that you intend to make applications for patent for your present homestead and pre-emption.

Please inform the Department within thirty days from this date if it is your wish to relinquish your present holding and secure permission from the Department to take up another quarter section elsewhere as a homestead. Two blank forms which may be used for the purpose are enclosed herewith. I might point out, however, that if you abandon your pre-emption, it will not be possible for you to secure another quarter section in this manner as the pre-emption and purchased homestead privilege was discontinued some years ago.

Re: Account of Harold MacDonald
M½ 10-21-5-W4.

The matter of an appli ation for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920, 1921 and 1922 seed grain amounting to $204.30 was advanced to Harold MacDonald on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$204.30	$445.83	$650.13

The N.W.¼ and N.E.¼ 10-21-5-W4 were formerly the homestead and pre-emption entries of the debtor on which security he obtained advances of seed grain in 1920, 1921 and 1922. Both of his entries were cancelled on the 21st of January 1925, and are still Crown lands held in the right of the Province.

In reply to our questionnaire of the 19th of May 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land occupied at present under a grazing permit. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Re: Account of Harold MacDonald
N.½ 10-21-5-W4.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

... ¼ of Sec. 13 Tp. 1 Rge. 9 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1926, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the ... of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

...

of Dominion Lands.

Sir,-

Re: N.W. ¼ Sec. 31 Tp. 54 Rge. 25 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who have exhausted their, or who may become entitled thereto on or before the 1st January, 1931, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you a homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Charles S. Howard, Esq.,
Edmonton, Alberta.

Memorandum:

OTTAWA -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: C. S. McEvony,
N.E.¼ 32-67-23 W.4th M. (Hsd.)
S.E.¼ 31-67-23 W.4th M. (S.G.)

The above-described land is the unpatented homestead and soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 15th August, 1919, the settler secured advances from the Board totalling $3000.00, as follows: stock and equipment, $2035.00; permanent improvements, $335.00; special advances, $30.00. As security the Board holds a charge on the settler's homestead and soldier grant. There is no other land security in this case.

The Board is informed that the settler has completed the duties in connection with his homestead and soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letters from the Commissioner of Dominion Lands to the Board, dated the 7th December, 1923, and from the Secretary of the Department of the Interior to the settler, dated the 30th August, 1923, respectively.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 32-67-23 W.4th M. and the S.E.¼ 31-67-23 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead and soldier grant.

A Vesting Order for signature is attached hereto.

Ref. # 188311.

OTTAWA. 19th November, 1928.

Sir,-

N.W. ¼ Sec. 36 Tp. 59 Rge. 12 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Elias Basaraba, Esq.,

Request for Transfer of Dominion Lands.

Re: W.H.Cannon - No.7379,

The above named settler secured advances from the Board totalling $2670.00, the Board taking a charge upon his unpatented homestead and soldier grant above described, this being the only land held by the settler. Owing to such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Cannon requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Cannon states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 20th of June, 1923.

The Regulations approved by the Governor in Council on the 4th day of June, 1921, P.C.1221, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ of 8-and the N.E.¼ of 7-64-1-W.5th Meridian be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

OTTAWA, 8th August, 1928.

Sir,-

W.W. ¼ of Sec. 8 Tp. 64 Rge. 1 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or patented homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

W. H. Cannon, Esq.,
Fawcett,
Alberta.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Sir,-

S.E. ¼ of Sec. 2 Tp. 84 Rge. 22 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting these privileges, which, however, will not become effective before the 1st January, 1930, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person to whom patent for the quarter section mentioned, and it is found this is the only land for which you have fulfilled homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands in the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or homestead homestead entry will not be permitted to commute the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.
